Greetings!

We are excited to announce that we are now offering the convenience of online athletic registration through FamilyID (www.familyid.com). All registering for East Hampton High School Athletics will take place through this system. This will be the only way to register student-athletes for high school athletic programs.

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs. You will have to register through this system for each athletic season.

INFORMATION NEEDED TO REGISTER:

You will need to either upload a copy of your child's current physical or submit that document only to the school nurse to complete your registration file.

You will also need to pay the district Pay to Participate fee by the date noted in the on-line registration process. These payments will still be made to the main office at the high school.

A parent/guardian should register by clicking on this link:
