

East Hampton Public Schools Rookie of the Year

Help us recognize and honor the
2016-17 East Hampton Public Schools

Rookie of the Year*

* The Rookie can be any **Teacher** or **Staff Member**
who has worked for three years or less in East Hampton as of June 2016.

Please help us recognize the efforts of the newest members of the East Hampton Public Schools family of teachers/staff members by nominating one of our “rookie” employees – anyone who is currently in their first three years of working for the school district.

Welcoming new staff members into the profession and recruiting experienced teachers and staff members are both important to the continued excellence of our schools. Please take a moment to nominate *one or more* of our recently hired employees to be recognized as the “Rookie of the Year” for the East Hampton Public Schools

The nomination should honor an employee who has **made an impact on students in his/her first year to three years in the East Hampton Public Schools** and **has distinguished himself/herself as an excellent role model in the first year to three years of employment in the East Hampton Public Schools.**
