GOOD APPLE AWARD NOMINATIONS

One of the most valuable assets of the East Hampton Public Schools is its more than 300 employees — the teachers, bus drivers, office staff, custodians, paraprofessionals, food service workers, administrators, and all others who contribute daily to the education of East Hampton children. Each has an integral role to play in the overall successful operation of the school system.

To recognize the outstanding contributions of the many people who are helping to ensure that East Hampton Public Schools are "Good...and Getting Better," the **GOOD APPLE AWARD** was established. ALL employees of the East Hampton Public Schools are eligible to receive a Good Apple Award. Please note — past recipients of the Good Apple Award may be considered.

Nominations may be made by employees, parents, students and friends of the East Hampton Public Schools.

Nomination forms may be obtained from the Superintendent's Office or any School Principal's office.

Nominations must be submitted to a School **Principal** no later than **Friday, May 9, 2014**

Each School Principal will chair a Committee of staff members which will review all nominations and recommend no more than (3) Good Apple Award winners.

The process to nominate an individual for the Good Apple Award is as follows:

1. Complete the Nomination Form attached to this notice.
2. Return the completed form to a School Principal by **Friday, May 9, 2014**.
3. Nomination forms must be filled out completely and signed. (Your name will be kept confidential).

Good Apple Award Winners are announced at Convocation in August.
