### **Gifts to School Personnel**

The members of the Board of Education and its employees wish to avoid any conflict between their personal interests and the interests of the school system in dealing with suppliers, contractors and all organizations or individuals doing, or seeking to do, business with the school system.

### **Gifts**

No Board member or employee shall directly or indirectly solicit any gift; or accept or receive any gift having a value of twenty-five (\$25) or more, in which it could reasonably be inferred that the gift was intended to influence the Board member or employee in the performance of his/her official duties, or was intended as a reward for any official action on his/her part.
