

Community Relations

Fire Department

Members of the local fire department play a vital role in the school safety program. It shall be the responsibility of each building principal to:

1. establish and maintain relationships with the local department;
2. work with his/her faculty in determining the nature and timing of the department's participation in the school program;
3. coordinate and supervise the planned activities.

Principals are directed to seek the advice and cooperation of the fire department in at least the following matters:

1. Plan and conduct of fire drills,
2. Fire prevention education,
3. First aid, especially in fire related incidents,
4. Steps needed to conform to all state and local fire codes.
