School Day

Grades 1-12

The Superintendent of Schools shall ensure that:

1. The school year provides at least 180 days of school for all grades.
2. The school year provides a minimum of 900 hours of actual school work; in meeting this requirement, no more than seven (7) hours of actual school work on a given day shall be credited toward meeting the 900 hour minimum.
3. In an early school closing or delayed opening because of weather, the district will still provide a minimum of 900 hours of actual school work by the conclusion of the school year.
4. Should it be necessary to consider alternative scheduling in any single school year, because of unusual circumstances which could interfere with fulfilling the 180 day school year requirement, the Superintendent shall recommend to the Board a plan for alternative scheduling to be transmitted to the State Board of Education for its consideration and possible approval.

In complying with statutory requirements for a minimum of 900 hours per year, the Superintendent shall exclude from the definition of actual school work that time provided for student lunch periods and non-instructional recesses at the elementary schools and students' lunch and passing time in the middle schools and the senior high school.

3. In an early school closing or delayed opening because of weather, either the morning or afternoon kindergarten session shall count as a school day.

The requirement that only a two hour continuous kindergarten session counts as a school day in the event of an early closing has been eliminated.
