

## **Mission - Goals - Objectives**

### **Policies for East Hampton Public Schools**

The Board of Education shall maintain a manual of policies as the base for the governance of the school system. The policies must at all times be in harmony with applicable law.

All of the Board of Education's policies shall, in addition, have their sources in the Board-adopted purposes (0000), goals and objectives (0200, 0210, 0220) pertaining both to student learning and school system operations.

The Board of Education views its policies as aids to decision making and will to the best of its abilities make all of its actions consistent with those policies.

In the fall of each year, the Board of Education Policy Committee will establish a plan to review a portion of its policy manual. Sufficient portions of the manual will be reviewed each year to ensure that the entire policy manual is reviewed at least every four years.
