

## Students

### Reporting to Parents

The Board of Education believes that good communication between parent and teacher is important in the educational process.

With this in mind, the Board of Education believes that the reporting contacts between parent and teacher should be varied and frequent. All forms and methods of communications, such as parent-teacher conferences, mail, e-mail, telephone, and school visitation by parents will be utilized.

The progress report should reflect the educational growth of the student in relationship to the student's ability, attitudes, interests, conduct or citizenship, and achievement.
