

East Hampton High School
Behavioral Mission Statement and Civic and Social Expectations

East Hampton High School, with the support of the community, is committed to developing informed, responsible, and contributing members of a global society through a challenging academic program in an environment that promotes healthy social, emotional, and physical development.

Civic Expectations:

1. Students will demonstrate civic responsibility by contributing to their school and community.
2. Students will exercise their rights and responsibilities as citizens in a democratic society.

Social Expectations:

1. Students will accept responsibility for their actions.
2. Students will treat others and their property with respect.
3. Students will appreciate and value the differences among people in the community of East Hampton and beyond.
