PBIS Program

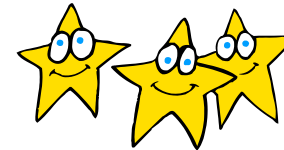

Positive Behavior Interventions and Supports

PBIS Mission Statement:

Memorial Elementary School is a collaborative learning community that exhibits safety, respect, and responsibility so that everyone can

Memorial Elementary School is dedicated to assisting children in reaching their greatest potential. We foster positive self-esteem that contributes to successful learning, while promoting each individual to SHINE!

Our learning community has:

- ★ high behavioral expectations which provide a safe, healthy, and orderly environment for learning;
 - ★ promotes self-discipline;
 - ★ expects children to take personal responsibility for their behavior;
 - ★ recognizes the positive contributions each child makes;
 - ★ clear procedures to assist children in taking personal responsibility for their behavior!
- 

PBIS **Behavioral Expectations**

S*afety* First
Have *respect* for myself and others.
I will be my own *problem solver*.
Now is the time to be my *best*!
Everyone is *responsible*.

SHINE!

Plan for School Wide Positive Reinforcement

Ongoing/Daily Reinforcement: Each staff member will give students SHINE Coupons when he/she has observed the student demonstrating one of the school-wide positive behavioral expectations.

--Once a student earns a SHINE coupon, that student will drop his/her ticket into the designated bin for that grade level. Each student is responsible for managing his/her own tickets.

Weekly Reinforcement: On a weekly basis, during the designated lunch time for each grade, one ticket will be drawn for each grade level. That student will:

- receive an award;
- get his/her picture taken to be displayed on the "Star Wall" in the main lobby.

Intermittent Times During the School Year: Students that have not received any Office Discipline Referrals ("Blue Slips") will be eligible to attend a special assembly or activity.
