

MEMORIAL ELEMENTARY SCHOOL SUPPLIES 2016-2017

Dear Memorial Families:

Welcome to our school community! Families frequently ask us for a list of items that students will need to begin the school year. While individual teachers may have some of their own requirements, the following items will be helpful for all students to have during the year. You may wish to purchase duplicates of some of the items listed below for your child's home study area as well.

A sturdy, full size backpack is also suggested for all grades to help carry extra clothes, lunches, snacks, sneakers and other materials between home and school.
